Payments Manager

Description

Checkout.com 's Finance department is looking for a hands-on professional who can provide experienced support to the Payments Team Manager, having a proven track record working with minimal day to day supervision.

The successful candidate will need to be an independent, high achieving individual, able to stand out in an ambitious environment. This role is an excellent opportunity to further improve existing knowledge and skills around payments and operational finance within a team with wide ranging responsibilities.

Responsibilities

- Leadership of Payments Team across APAC
- Review and approve outgoing Merchant payments
- Ownership of Cashflow and treasury management including FX trades
- Merchant pay-outs to bank reconciliation
- Processing of Merchant Payments on various regional banking platforms Inc JPM
- Dealing with merchant payment queries and investigations
- Weekly and monthly reporting
- Participation in ongoing projects around development of back office systems
- Reviewing processes and procedures
- Collaborating closely with 3rd party providers (eg. Banks)
- Use strong problem solving skills and a deep understanding of our systems to resolve queries with our customers in mind
- Being key link to other teams and departments across Checkout

Qualifications

- In-depth understanding of transactional payment processes, types of payments and currency cut offs.
- Ability to handle several tasks with tight delivery schedules and prioritise accordingly
- Strong sense of ownership and accountability
- Process oriented and high level of attention to detail
- Excellent leadership skills with the ability to build strong cross-functional relationships and work collaboratively
- Proven experience of working within the financial services industry
- High level of proficiency with MS Excel (Highly desirable)
- Process driven – You understand processes intuitively, are highly organised, and are constantly on the lookout to improve the way you work. You love tweaking things.
- Collaborative – You seek first to understand and then to be understood. You communicate your actions and intentions clearly – verbally as well as in a written form.
- Proactive – You have a proactive attitude towards problems. You pay attention to details and think about the implications of what you are doing.

Hiring organization

Checkout.com

We're Checkout.com

We're building the connected finance businesses deserve. Unleashing them with tomorrow's technology, today. Our flexible payments solutions help global enterprises — like Samsung, Deliveroo and Adidas — launch new products and create experiences customers love. And it's not just what we build that makes us different. It's how.

We liberate smart, passionate people to collaborate, innovate and do their best work — faster. That's why we're one of the most valuable fintech firms around. But we're just getting started. By cutting through financial complexity, we'll empower companies to change the world. Join us. Unlock your potential.

Build tomorrow, today.

- Able to develop team goals and empower Individuals

What We Stand For

At Checkout.com, everything starts with our values, including the experience we offer our people.

#Aspire

We supercharge your professional growth with career development programs and leadership training. You can learn your way, with tailored pathways and online platforms. And be inspired at relevant conferences.

#Excel

We don't stop at 'good' here. We strive for excellence amongst our teams every day and recognize colleagues who take it to the next level through our quarterly peer-nominated Hero awards.

#Unite

We're proud of our global connections and inclusive environment. So we champion this through our colleague-led community groups and celebrate many cultural events together.
