

## Product Management – Financial Services

### Description

#### About The Team

Financial Services Product Management team focuses on building multiple fintech solutions to meet the needs of both consumers and businesses. We shape the overall product roadmap and see our fintech solutions from end-to-end. We also collaborate closely with other Shopee teams to design solutions.

### Responsibilities

- Shape the overall product vision/roadmap, product ideation, system design and development, post-launch improvements and iterations for Shopee's fintech solutions, including but not limited to digital payments, digital wallets, consumer loans, merchant platform and O2O products.
- Conduct market research and competitor studies to identify opportunities, gaps and areas of improvement for our solutions.
- Effectively manage stakeholder expectations and project timeline.
- Ensure strong collaboration and communication across teams – business development, operations, design, engineering, customer experience, and any other relevant department(s).

### Qualifications

- Bachelor's degree preferably with a major in Computing or Information Systems.
- Excellent problem solving and analytical skills.
- Strong communication and stakeholder management skills.
- Self-driven, positive attitude and team player.
- Prior product management experience and/or one of the following is preferred: Online Travel Agency (OTA), O2O business, lifestyle apps, consumer/cash loans, B-to-B businesses/ merchant platforms, digital wallet, digital payments.
- Proficient in English, and conversational in Mandarin in order to collaborate with internal stakeholders.
- Both junior and senior product management roles are available.

### Hiring organization

Shopee

Shopee is the leading e-commerce platform in Southeast Asia and Taiwan. It is a platform tailored for the region, providing customers with an easy, secure and fast online shopping experience through strong payment and logistical support.

Shopee aims to continually enhance its platform and become the region's e-commerce destination of choice via ongoing product optimisation and localised user-centered strategies.

Shopee, a Sea company, was first launched in Singapore in 2015, and has since expanded its reach to Malaysia, Thailand, Taiwan, Indonesia, Vietnam and the Philippines. Sea is a leader in digital entertainment, e-commerce and digital financial services across Greater Southeast Asia. Sea's mission is to better the lives of consumers and small businesses with technology, and is listed on the NYSE under the symbol SE.
